EXPERIENCE

Play Time, Arlington— *Retail Associate*

August 2024 - present

As a retail associate at an arts and crafts supply store, I assist customers with cutting fabric and ribbon, helping them find the right materials for their projects, and overall customer service issues. I also work on pricing and re-stocking items as shipments arrive.

Code Ninjas, Arlington— *Instructor*

August 2022 - July 2024

Working at Code Ninjas taught me both how to work with children and adults alike. I gained administrative skills working at the front desk, organizational skills running camps alone, and leadership skills taking care of children there.

Strawberry Banke, Portsmouth NH— *Volunteer*

October 2021 - Present

My passion is historical reenactment, which I do every year and has strengthened my skills in talking to people by educating them at the museum.
